## GENERAL INFORMATION

For an examination without a written feature, it is the candidate's responsibility to contact the California Prison Industry Authority at (916) 358-2696 three weeks after the final filing date if he/she has not received a progress notice. If a candidate's notice of oral interview or performance test fails to reach him/her prior to the day of the interview, due to a verified postal error, he/she will be rescheduled upon written request.

Applications are available at CalHR, local offices of the Employment Development Department, CALPIA, and at [www.calpia.ca.gov](http://www.calpia.ca.gov).

If you meet the requirements stated on the reverse, you may take this examination, which is competitive. Possession of the entrance requirement does not assure a place on the eligible list. Your performance in the examination described on the other side of this bulletin will be compared with the performance of the others who take this test, and all candidates who pass will be ranked according to their scores.

**CALPIA** reserves the right to revise the examination plan to better meet the needs of the service if the circumstances under which this examination was planned change. Such revision will be in accordance with civil service law and rules and all competitors will be notified.

**Examination Locations:** When a written test is part of the examination, it will be given in such places in California as the number of candidates and conditions warrant. Ordinarily, oral interviews are scheduled at Folsom headquarters and correctional institutions throughout the State. However, locations of interviews may be limited or extended as conditions warrant.

**Eligible Lists:** Eligible lists established by competitive examination, regardless of date, must be used in the following order: 1) Subdivisional promotional, 2) departmental promotional, 3) multi-departmental, 4) service-wide promotional, 5) departmental open, 6) open. When there are two lists of the same kind, the older must be used first. Eligible lists will expire in from one to four years unless otherwise stated on this bulletin and under certain circumstances may be extended beyond that time.

**General Qualifications:** Candidates must possess essential personal qualifications, including integrity, initiative, dependability, good judgment, and ability to work cooperatively with others; and a state of health consistent with the ability to perform the assigned duties of the class. A medical examination may be required. In open examinations, an investigation may be made of employment records and personal history and fingerprinting may be required. Any limitation which restricts a person from safely performing the essential functions of the position may constitute the basis for removal of the candidate's name from the eligible list.

**Background Investigation:** If you are successful in this examination, you may be required to complete a background investigation form disclosing information on arrests and driving violations. Candidates will be fingerprinted to search fingerprint files to disclose any criminal record. The hiring agency will use this information to determine your suitability to become a CALPIA employee. Information collected for a background investigation is distinct from that required on the Examination Application (STD 678) which is completed prior to the examination. You will be required to divulge arrest and/or conviction information on the background investigation document that is not required when completing the Examination Application.

This section shall not apply to any veteran who has been dishonorably discharged or released. Veteran status is verified by the California Department of Human Resources (CalHR).
